

Dear Donna,

Thank you, thank you, thank you!!!!!!!!!!!!!!!!!!!!!!!!!!!!!! I always knew that I had a lovely girl but we were getting nowhere in the show ring. After coming to you for lessons, you worked with us and always seemed to know just what we needed to work on to make both my dog and me be the best we could be. AND IT HAS PAYED OFF. Evie won the Bred By class, then went on to win the Open Bitch class, then competed in the Best of Breed class and won Best of Winners. Not only did she win all of that on Saturday but won the same thing on Sunday under a different judge. She received two 5 point majors and became a Champion on Sunday. She did this at the Cairn Terrier Specialty of Greater Detroit.

You were like a detective--watching the dog and the handler to see just what we could do to correct some things, change other things, and introduce some new things to put us in the "winning" mode. I am so grateful for you and will always remember what a wonderful feeling it is to win and win big. And when I called you to tell you the good news, you shared my joy as if she was yours. Actually, you were with me in Michigan with every step I took.

Thanks again for everything,

Barbara Allen
