To Whom It May Concern:

My name is Stephanie Chozen, and I am the director of Mid-South Cocker Spaniel Rescue. I began working with Donna Malone d/b/a My Pet Pro three years ago after being referred to her by my vet, Dr. Gerald Blackburn, for assistance with one of my personal pets.

Donna has helped me resolve any number of behavioral challenges ranging from rehabbing abused dogs to eliminating aggressive behaviors to resolving fear issues through socialization and building relationships between caregivers and the fearful pet. Her basic obedience classes provide a structured environment for addressing problem behaviors, and she always finds some creative exercise that I can use to tackle specific problems.

I find Donna to be a valuable resource and quite knowledgeable about dog training and dog behavior issues. In addition to working with her personally, I also refer adopters to her for training and behavior issues.

Yours truly,

Stephanie Chozen
